'Pet Lamp' in recycled plastic

'Pet Lamp' in plastica riciclata

COLORFUL

A recycling furnishing concept meets up with a love of colour, bordering on chromotherapy. Sustainable production, multicolour kaleidoscopic eddies, fluid torsion and designer origami.

Il riciclo come filosofia dell'arredo incontra l'amore per il colore, al limite della cromoterapia. Produzioni sostenibili, caleidoscopici vortici multicolor, torsioni fluide e origami d'autore.
